

# Story Time Comes To Life Program Term 2 2019

Since I was young I have had a love for reading. It is one of the most amazing feelings to be transported to another world through story and something which is magnificent to pass on to our children. My other love is wildlife and in our latest program for Wilbur's Wildlife we are bringing these together to simultaneously inspire the next generation of readers and wildlife warriors.

Story time comes to life is a program that sees Wilbur's Wildlife bring along a story book, 2 animal's and a craft idea for the program. We can run this program as a one off or as a term long program over 4 weeks.

During the session children listen to the story. We then bring out 2 of the animal's which were shown in the book with a focus on tactile experiences for the children to pat the animal's. We also provide an optional craft activity which the library can run after the session to add value.

One half hour story and animal meet and greet session is \$130. A term of program's (4 visits) is \$360. How these 4 sessions are laid out is up to you, either 4 consecutive weeks or every 2 weeks (week 2,4,6,8) spacing it out across the whole term.

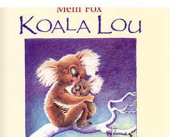

Also included with the session is the plan for running a half hour craft activity in which the children can make a craft item related to the session. We have worked on making these cost less than 50c per child so that the entire program has a per child cost of \$4 if the session is full. This craft session is not run by Wilbur's Wildlife and would need to be run by a library staff member. We are suggesting it as a way to add additional value to the session for your guests and allow you to charge for the sessions to cover the cost involved.

Each session allows for 25 children.

A program for the first 4 sessions (1 term) of story time comes to life is included on the following page including the books, animals and craft activities.

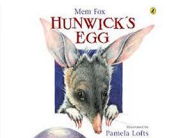

Cale Russell  
Wilbur's Wildlife Owner

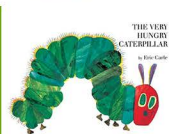

## Week 1

**Book** Koala Lou  
**Animals** Golden Tail Gecko & Parrot  
**Activity** Koala Colour in Craft

## Week 2

**Book** Huntwick's Egg  
**Animals** Hopping Mouse and Frog

**Book** The Very Hungry Caterpillar  
**Animals** Various Insects  
**Activity** Recycled paper caterpillars

## Week 4

**Book** Possum Magic  
**Animals** Sugar Glider and Snake  
**Activity** Paper plate possums

## A Testimonial from our holiday program's

The presenter Cale totally engages the audience and presents the program in a fun and very professional manner. We look forward to having Wilbur's Wildlife visit our libraries in the near future.
